FOR
Miss Perfect[®]

2020

TC for Miss Perfect shapewear offers sleek, smooth elegance and a range of control to suit all body types and needs. All products are hand-made under rigorous quality standards and evaluated to ensure they meet specific performance benchmarks before ever leaving the factory.

LIGHT CONTROL	Control that smooths
FIRM CONTROL	Transforming control to shape and smooth
EXTRA FIRM CONTROL	Ultimate control to slim, shape and smooth

All TC for Miss Perfect® garments feature:

- LIGHT, FIRM or EXTRA FIRM control
- Super stretch, thin fabrics for extraordinary "barely there" comfort and maximum ease in sliding on and off
 - Invisible seams for a tailored appearance
- WONDERFUL EDGE® technology to prevent ride-up on legs and waist
- Superior design provides NO midriff roll-down

SMOOTHING BRIEF WITH PANEL
S, M, L, XL, 2X

- Microfiber Soft
- Single Ply Comfort
- Made for Everyday Wear
- With a Touch of Tummy Support

LIGHT CONTROL

WONDERFUL u®

The *u*ltimate Comfort Wire
Feels Wireless!

How does it work?

The underwire(s) are anchored on a stretch band under the bra cups. Also, the usually rigid center front of the bra is now constructed with a flexible material. These two "flex elements" allow the underwire to float and rotate around your breast for great comfort and support.
